**REQUEST FOR WITHDRAWAL OF HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Commissioner for Patents
Alexandria, VA. 22313-1450

Sir:

Responsive to the Notice of Abandonment dated September 29, 2003, Applicant, through counsel of record, respectfully requests that the holding of abandonment for the above-identified Application be withdrawn due to the fact that the Office Action mailed by the Patent and Trademark Office on June 26, 2002 was not received by Applicant's Attorneys. The facts concerning this matter are as follows.

Upon receipt of mail from the Patent and Trademark Office in this firm, all mail is opened and logged in a daily computer log. The due date is entered in the firm computer docketing system. At the time of entry into the computer, the serial numbers are checked to ensure that the correct docket number appears on the mail so that the documents are entered in the correct application in the computer and matched with the correct application file. Any due dates resulting from the Patent and Trademark Office mail are also entered in the computer.

Application No. 09/636,053

Inventor: Goro Fujita

Request for Withdrawal of Holding of Abandonment Based on Failure to Receive Office Action

After receiving the Notice of Abandonment, our computer system was checked. The computer Patent Due Dates section for the subject application did not show a current due date for the present Application, nor did it show receipt of the June 26, 2002 Office Action (see attached computer printout).

The application file was then pulled and the full contents of the file were reviewed. The application file did not contain June 26, 2002 Office Action. The Patent Office computerized Mail Log was then checked. All mail received from the Patent and Trademark Office is logged in the mail log by serial number or patent number, along with a description of the mail received, on a daily basis. Mail from the Patent Office is generally received by our firm within two or three days of mailing. However, to ensure a complete check, the daily log was checked from June 26, 2002 through July 10, 2002 and found to contain no record of having received the June 26, 2002 Office Action for the above-identified application.

It is believed that the above discussion and documents enclosed herewith clearly prove the nonreceipt of the June 26, 2002 Office Action and therefore, the holding of abandonment was issued in error.

Application No. 09/636,053

Request for Withdrawal of Holding of Abandonment Based on Failure to Receive Office Action

Accordingly, it is requested that the holding of abandonment be withdrawn and that prosecution be allowed to continue in the present application.
